

MS-4000

SKIN DEGREASER PLUS

MS-4000 Skin Degreaser Plus is a next-generation, water-based cleaning solution optimized for the medical industry. Utilizing a powerful, yet non-irritating formulation, MS-4000 is designed to provide superior skin cleaning and impurity removal without the need for rinsing or harsh rubbing. Ideally suited for medical applications that require nonflammable, yet highly effective skin cleaning. MS-4000 quickly prepares skin surfaces for attachment of adhesive EKG electrodes or other medical tasks requiring clean, oil-free skin. Having ultra-low VOC, no odor, and nonflammability, MS-4000 is an ideal replacement for flammable solvent-based skin cleaners such as: ether, acetone, isopropanol, etc.

Key Benefits & Characteristics

- Water-based, nonflammable formulation
- Ultra-low VOC; Zero odor
- Highly effective skin cleaning
- Rapidly cleans away sweat, oils, and skin impurities
- No rinsing or harsh rubbing required
- Fast evaporation
- Provides secure adhesion of surgical drapes, electrodes, etc.

Application and Usage Procedure

1. Apply onto a cloth pad.
2. Hold pad firmly on skin before wiping lightly.
No harsh rubbing required.
3. Remove the pad to reveal clean, oil-free skin.
No rinsing necessary.
4. Go back over area with a dry pad if needed.
